

**HERE WE ARE—SEND US!  
JUNE 2005**

In mid-April Mark left his work at Ford Credit in order to devote full time to mission preparations.

We have our start-up funds and over 40% of our monthly support.

Our house is on the market. Desiree is living with us while we sell it. Please pray for Desiree (20) and Liam (22), who will be staying in the States.

I will make rivers flow on barren heights, and springs within the valleys. I will turn the desert into pools of water and the parched ground into springs. Isaiah 41:18

**Germany: Land of Material Wealth, Spiritual Poverty—and Opportunity!**

According to Operation World Statistics, fewer than 3% of Germany's 82 million people are evangelical Christians, compared with over 30% here in the States.

A friend who shares our burden for Germany recently wrote—*Physically, Germany is the cleanest and most orderly place I have ever seen. Spiritually, Germany is the most uncleansed and disordered culture that I have ever been in . . . As we left, I thought if only someone who really believed in God and the Bible were to go there and preach. But who would go!*

With God's help and yours, we will! Thanks so much for your prayers, encouragement and generosity!

Sandy Graham, with Impact Ministries International, writes: *People in Europe may appear suspicious and disinterested toward religion. Cold, vacant state churches seem to stand as evidence. However, every human heart is seeking after relevance and relationship. . . [God] uses our prayer and availability to awaken hearts and transform nations*

Please continue to pray—

- That lost souls in Europe will come to Christ
- That the Lord will guide us, prepare us and provide for our needs

??? Mystery Photo???  
Where have you seen this house before? (Think famous American paintings.)

**First place** for April's mystery photo contest goes to **Lori Witham** of Papua New Guinea, who correctly guessed both the question and the answer—it was Liam on the balcony of his new apartment. **First runner up** is **Diane Miller** of Oregon (via Germany and Papua New Guinea), who responded in German! Good luck on this month's contest—you have to be quick to beat these ladies!
