

HERE WE ARE—SEND US! SEPTEMBER 2005

Dear Friends and Family,

Thanks again for all your wonderful support, encouragement and prayers!

Thanks for the 46%! We are thankful for God’s provision in certain areas of our preparations that seem to be holding steady at about 46%!

- We have about 46% of our estimated monthly financial support needs. Mark has been traveling throughout Nebraska, Wyoming, Colorado, Kansas, Iowa and Texas to share our vision. We pray God will help us find more great partners!
- Mark’s health seems to be at least 46% restored following last year’s bout with mono
- Desiree is about 46% self-supporting
- For all we know, the house is 46% sold. . .(?)

A lot of people are asking us, “Why are you still here?” We are wondering, too! We aren’t impatient or discouraged, but we are a little baffled, about why things don’t seem to be progressing much despite our best efforts! Please keep praying with us and trusting God’s timing!

Thanks for the 100%! We are very thankful that God has provided 100% in some other areas!

- We have 100% of the funding needed for a few months of language school and on-the-job training
- Corinne and the kids are 100% healthy
- Liam is 100% self-supporting

So once the house sells—off we go to begin our in-country training, knowing God is able do much with our little!

Now if the ministry that brought death, which is engraved in letters on stone, came with glory, so that the Israelites could not look steadily at the face of Moses because of its glory, fading though it was, won't the ministry of the Spirit be even more glorious? II Corinthians 3:7-8
