Please remove the street address and telephone number from your address books! If you are receiving this letter by mail, but would be willing to receive it by e-mail instead, please let us know. - that God will work through us to enlarge his family in Germany

### “From death to life”

Catastrophic disasters dominate the news. Less visible is the coverage of the spiritual decay of Europe, where church attendance and membership have plummeted to lows that have even captured the attention of major news outlets. Materially Western Europe is well-off, but the spiritual poverty is overwhelming. Helping with material needs is a wonderful focus, but we are grateful that so many Christians also recognize the tragedy of those whose spiritual destitution goes unnoticed because of their outward affluence.

*We thank God for the sale of the house!*

*Our family on Christmas Eve. Please keep Liam (23) and Desiree (21) in your prayers!*
